

Medical Student Rotation Application

The Medical Student Rotation Program teaches students essential clinical and practical skills. Participating students rotate with Stony Brook Southampton Hospital faculty and residents in a variety of specialties areas.

Application Process

Clinical rotations are available to students in their final year of US medical school. Students will be charged a non-refundable application fee of **\$50.00**. Applications submitted without payment will not be reviewed. A completed application must be sent to **Medical Student Coordinator**. Please indicate on the application the preferred rotation and dates available. Our rotations are four (4) weeks in length. *Applications for less than four (4) weeks will not be considered.*

****All rotations are subject to a fee* please follow up with the Medical Student Coordinator.***

Once an elective rotation is secured, students will be required to submit a deposit to secure their rotation. This fee will be applied to their rotation fee. In the event a student cancels their rotation, this fee is **non-refundable**.
