Body Sculpt • This class is designed to strengthen and tone core muscles from head to toe using a variety of equipment including dumbbells, resistance bands and stability balls. This class is fun, effective, and open to people of all fitness levels. Benefits include increased muscle strength and toning as well as lowering your risk for bone loss.

Boxing • Our boxing for cancer fitness classes provide a strength and cardio-based workout. Improvement of your resting heart rate, muscular endurance, increased balance, coordination, reactivity and agility.

Yoga • Calm the mind, body, and spirit. This class is for all cancer fighters, survivors, and caretakers. Virtual.

Food as Medicine • Nourish the mind, body, and spirit with wholesome foods.

Transformation Tuesdays • "The Hamptons Method & Beyond." In this interactive workshop participants will develop immediate and practical skills to Think, Live & Be More Positive Now. Hosted by Licensed Clinical Social Worker & Certified Hypnotist Albert R. O'Connell III.

Strength Through Song • A joyful class led by Valerie diLorenzo, teaching artist/award-winning vocalist, to lift the spirits! No singing experience required. Virtual.

Fit & Strong • A structured exercise and education program that focuses on upper and lower extremity lymphatic drainage and health. Tuesday classes are virtual. Thursday classes are in-person and virtual. Evaluations to track progress are available by calling 631-726-8800.

Pilates • Pilates lengthens and stretches all the major muscle groups in the body in a balanced fashion. It improves flexibility, strength, balance and body awareness.

Online Cancer Caregiver Support Group via Zoom • Discusses multiple topics that caregivers are affected by. Please contact Kate Snyder Jones LCSW for more information or to register at (631) 638-7771. Sponsored by Fighting Chance and the Stony Brook Cancer Center.

Healing Through Art • Developed in collaboration with the Parrish Art Museum and Stony Brook Southampton Hospital's Phillips Family Cancer Center, cancer patients, survivors and care partners will enjoy a private walk-through tour at the Parrish followed by a studio art project. Registration is required. Email Ragan.finalborgo@stonybrookmedicine.edu for more information.

Acupuncture Circle • Acupuncture taps the body's own healing capabilities to promote overall health and well-being and is used to treat a variety of ailments including pain, anxiety, stress, insomnia, digestive disorders and respiratory illness. Class will be held at The Phillips Family Cancer Center.
