

Compliance and Patient Privacy at Southampton Hospital

Southampton Hospital has a comprehensive Corporate Compliance program that demonstrates our commitment to acting with integrity at all times.

Our success in achieving our mission and vision is dependent upon maintaining our commitment to honesty, integrity, quality service and excellent care. We expect and require everyone affiliated with Southampton Hospital to perform their job duties and responsibilities in a law-aiding, honest and trustworthy manner.

The Corporate Compliance Program and code of Conduct provide direction for our staff to conduct business with integrity and in accordance with all Federal, State and Local laws and regulatory organizations.

Code of Conduct

Our Code of Conduct is the foundation of our Compliance Program. It outlines the duties and responsibilities of the Compliance Program and of those who are associated with Southampton Hospital. To access a copy of the Code of Conduct [click here](#).

HIPPA – Protecting Patient Privacy

In addition to providing the highest quality care for our patients, Southampton Hospital holds the privacy of our patients' health information as a core value. To learn more about your rights under HIPAA, please [click here](#). ([Español](#))
