# The Phillips Family Cancer Center

## Wellness Programs and Support Services

**Free for Men and Women Cancer Patients in All Stages of Treatment, Remission, and Caregivers**

Provided by Stony Brook Southampton Hospital Wellness Institute • Registration is required at [bit.ly/cancerwellness20](https://bit.ly/cancerwellness20) unless otherwise noted

### **STRONGER TOGETHER • For All Men and Women Cancer Patients, Survivors, and Caregivers**

**SUPPORT GROUPS** • For more information or to register call Dorothy Raniolo, (631) 740-1761 or email [dorothy.raniolo@stonybrookmedicine.edu](mailto:dorothy.raniolo@stonybrookmedicine.edu)

**Body Sculpt** • This class is designed to strengthen and tone core muscles from head to toe using a variety of equipment including dumbbells, resistance bands and stability balls. This class is fun, effective, and open to people of all fitness levels. Benefits include increased muscle strength and toning as well as lowering your risk for bone loss.

**Boxing** • Our boxing for cancer fitness classes provide a strength and cardio-based workout. Improvement of your resting heart rate, muscular endurance, increased balance, coordination, reactivity and agility.

**Yoga** • Calm the mind, body, and spirit. This class is for all cancer fighters, survivors, and caretakers.

**Food as Medicine** • Nourish the mind, body, and spirit with wholesome foods.

**Transformation Tuesdays** • “The Hamptons Method & Beyond.” In this interactive workshop participants will develop immediate and practical skills to Think, Live & Be More Positive Now. Hosted by Licensed Clinical Social Worker & Certified Hypnotist Albert R. O’Connell III.

**Strength Through Song** • A joyful class led by Valerie diLorenzo, teaching artist/award-winning vocalist, to lift the spirits! No singing experience required. Virtual.

**Fit & Strong** • A structured exercise and education program that focuses on upper and lower extremity lymphatic drainage and health. Tuesday classes are virtual. Thursday classes are in-person and virtual. Evaluations to track progress are available by calling 631-726-8800.

**Pilates** • Pilates lengthens and stretches all the major muscle groups in the body in a balanced fashion. It improves flexibility, strength, balance and body awareness.

**Online Cancer Caregiver Support Group via Zoom** • Discusses multiple topics that caregivers are affected by. Please contact Kate Snyder Jones LCSW for more information or to register at (631) 638-7771. Sponsored by Fighting Chance and the Stony Brook Cancer Center.ct.

**Healing Through Art** • Developed in collaboration with the Parrish Art Museum and Stony Brook Southampton Hospital’s Phillips Family Cancer Center, cancer patients, survivors and care partners will enjoy a private walk-through tour at the Parrish followed by a studio art project. Registration is required. Email [ragan.finalborgo@stonybrookmedicine.edu](mailto:ragan.finalborgo@stonybrookmedicine.edu) for more information.

**Warriors of the East End Support Group** • Young Breast and GYN cancer survivors support group. Southampton Fire House, 470 Hampton Road, Southampton, NY 11968. RSVP Moira Squires [morose79@yahoo.com](mailto:morose79@yahoo.com) or call (631) 204-9331 Ext. 2

**Movement and Mindfulness** • A seated class combining mindful movement, breath awareness, restorative yoga, reiki and meditation to help promote healing and relaxation for our care-partners. To register call 631-726-8800.

**Acupuncture Circle for Cancer** • Join Margaret Ianacone DAOM, LAC. for a 6-week group treatment series to help relieve stress, anxiety, insomnia, nausea, pain and/or fatigue. Held at the Phillips Family Cancer Center

**Poetreat** • Join Lora Tucker, LMSW for the first of 3 monthly writing workshops. Writing as therapy can be healing, calming, and empowering. From poetry, prose and written word to storytelling, editorials, and journaling, this workshop will allow you to get your thoughts and feelings out on paper and have a voice! Notebooks and pens will be provided for in-person participants.

**Stony Brook Medicine**  
The best ideas in medicine.
