

GALA IN YOUR *garden*

Title Sponsor
WÖLFFER ESTATE
VINEYARD

As we see promising signs that the pandemic is receding, we, as The East End's healthcare leader, invite you to join us for our 'Gala in Your Garden' format of our Summer Party on Saturday, August 6, 2022

Your participation supports some of our most critical facilities; our Jenny & John Paulson Emergency Department, and our new East Hampton Emergency Department. When you purchase a 'table' we, along with our partner Elegant Affairs, will deliver everything you need to your home, to host an elegant dinner party; a delicious three course meal, outstanding local wines from our sponsor, Wölffer Estate Vineyard and a floral arrangement to decorate your table. All table hosts replying before **May 31, 2022** will be recognized in our full invitation. Once you have purchased your table, we will be in touch regarding menu options and delivery.
