Regional Dialysis Center

Stony Brook Medicine

Stony Brook University/SUNY is an affirmative action, equal opportunity educator and employer.

**Stony Brook
Southampton Hospital**

Just as important as the skilled and professional care that you will receive is the friendly and warm atmosphere of our Dialysis Center.

Award-Winning Facility

As a consecutive recipient of the Five-Diamond Award, the Regional Dialysis Center is recognized for its exemplary patient safety program by IPRO's End Stage Renal Disease (ESRD) Network of New York.

For more information on kidney health, dialysis or to speak with the Center's Medical Director, Gaylord Hoffert, MD, please call **(631) 723-4200**.

Hours:

Monday/Wednesday/Friday: 6 am – 8 pm | Tuesday/Thursday/Saturday: 6 am – 5 pm

Emergency hemodialysis available 24 hours

Quality Care Close to Home

When your doctor tells you that you need dialysis, you want the very best care and support close to home. The Regional Dialysis Center provides a comfortable setting and a secure, confidential relationship between our staff and patients and their families. With dialysis, patients enjoy a better quality of life and most return to activities they enjoyed prior to their diagnosis of end stage kidney disease.

Dedicated Staff

Licensed by the New York Department of Health, the Center is staffed by a dedicated and compassionate team of Board-certified Nephrologists, skilled RNs, certified dialysis technicians, a Certified Social Worker, and a New York State Registered Dietitian. Be assured that you will receive state-of-the-art hemodialysis with continuous monitoring. Your every treatment need will be met in an environment designed for optimum comfort, including personal televisions, WI-FI access, and specially designed reclining chairs.

Just as important as the skilled and professional care that you will receive is the friendly and warm atmosphere of our Dialysis Center. Patients develop close relationships with our staff, and often say that they feel well-cared for and part of a larger family.
